PRODUCT DESCRIPTION

1. On/Off
2. Volume up
3. Volume down
4. LED indicator
5. DC Power Slot
6. Microphone
7. Speaker
8. Ear hook

FIRST USE BATTERY CHARGING

The Headset is equipped with a lightweight and durable Lithium Polymer rechargeable battery.

In your first use, please charge 3 hours. The battery is fully charged when the red light goes off, and it usually takes 2 to 3 hours.

ACTIVATING THE Bluetooth

You must activate your Bluetooth to establish a Bluetooth connection between your mobile phone and other Bluetooth devices. Go the Menu Key by pressing the joystick. Scroll to Connect, press YES to SELECT. A list of options will be displayed. Choose Bluetooth press YES to connect the Bluetooth link. (Please refer your mobile phone user's manual for establishing connection with Bluetooth device)

PAIRING TO THE CELLULAR PHONE

Step 1. Pressing ON/Off (1) button more than 6 seconds to turn on Bluetooth Headset, then keep pressing it for more than 2 seconds till a red light and blue light blinking simultaneously, and it goes to pairing mode when a short and a long sounds are heard.

Step 2. Please look up to user's manual to proceed with Bluetooth Headset pairing mode.

Step 3. Bluetooth Headset asks for putting pairing code 1234, and press confirm button (1234 is preset code). When pairing is done, a red light turns off and a blue light blinking.

Note: If pairing with mobile phone can't be done within about 3 minutes, Headset will close pairing mode. (If pairing has to be done, please repeat step 1- step 3)

ANSWERING/RECEIVING A CALL

When the phone is receiving a call, a ring tone will be heard on the Headset.

1. Just press the ON/Off (1) button down once to answer the call. Pressing the button again will hang-up and terminate the call.

2. To terminate the call, simply press the ON/OFF (1) button again.

MAKING A CALL WITH THE HEADSET ON

Normal dialing

1. Enter the contact number and press SEND/ANS button on the phone. Audio is automatically transferred to the Headset.

2. Press the ON/OFF (1) button to hang-up and terminate the call.

Voice dialing

Step 1. When the Headset is under linked state, press the VOLUME UP (2) button to activate the voice dialing.

Step 2. A beep will then be heard on the Headset prompting the user to say the name of the person to call.

Step 3. Say the name. Then, the name will be played back to you. The phone will then place the call automatically. In case the cell phone does not recognize the spoken name, the steps above need to be repeated.

Step 4. Press the ON/OFF (1) button again to terminate the call. Note: Voice dialing control needs mobile phone support, please look up to your user's manual of mobile phone.

REDIALING

Press quickly the ON/OFF (1) button twice to activate the last dialed out telephone number.

REJECTING A CALL

Press the ON/OFF (1) button more than 2 seconds to refuse the incoming call.

SETTING THE VOLUME

Volume setting can be done during calls only.

1. Press VOLUME UP (2) to increase volume

2. Press VOLUME DOWN (3) to reduce volume.

Remark: If the volume set is too high, it will cause echo or background noise during calls on some cell phones.

MUTE

It goes to mute function when VOLUME DOWN (3) button is pressed more than 2 seconds while talking, and it will back to talking function when VOLUME DOWN (3) is pressed again more than 2 seconds.

TO SWITCH HEADSET ON EITHER EAR

Right Ear

Left Ear

Please put the on ear hook behind your ear and the microphone toward your mouth.

WAGAN Corp. Limited Warranty Registration Form

All WAGAN Corporation products are warranted to the original purchaser of this product.

Warranty Duration: This product is warranted to the original purchaser for a period of one (1) Year from the original purchase date, to be free of defects in material and workmanship. WAGAN Corporation disclaims any liability for consequential damages. In no event will WAGAN Corporation be responsible for any amount of damages beyond the amount paid for the product at retail. In the event of a defective item, please ship the item, prepaid, with a complete explanation of the problem, your name, address and daytime phone number. WAGAN Corporation will, at its option, replace or repair the defective part. This warranty is void if the product has been damaged by accident, in shipment, unreasonable use, misuse, neglect, improper service, commercial use, repairs by unauthorized personnel or other causes not arising out of defects in materials or workmanship. This warranty is effective only if the product is purchased and operated in the USA and does not extend to any units which have been used in violation of written instructions furnished.

Warranty Disclaimers: This warranty is in-lieu of all warranties expressed or implied and no representative or person is authorized to assume any other liability in connection with the sale of our products. There shall be no claims for defects or failure of performance or product failure under any theory of tort, contract or commercial law including, but not limited to negligence, gross negligence, strict liability, breach of warranty and breach of contract.

Warranty Performance: During the above one (1) Year warranty period, a product with a defect will be replaced with a comparable model when the product is returned to WAGAN Corporation with an original store receipt. The replacement product will be in warranty for the balance of the one (1) Year warranty period.
